

Help Kids Succeed in School and Life!

Did you know you can positively transform the life of a child?

If you can commit just 4-6 hrs/week for 26 weeks during the school year, you can change a child's life for the better and set them on the path to success.

Become a volunteer reading tutor today!

Experience not necessary. Training is provided.

Learn more about how you can help kids succeed through literacy. Join us for an information session!
